COUSIN MITCH'S *Do-Nothing Dressing*

Democrats can't
get anything done!

What to Bring:

- 1** Democrats passed the American Rescue Plan, which has helped millions of Americans make it through the Trump administration's disastrous handling of COVID-19.
- 2** Democrats also passed an historic \$1.2 trillion investment in our nation's infrastructure – legislation that will benefit MILLIONS by helping to update our roads and bridges, provide every American has reliable internet access, and invest in manufacturing.¹
- 3** Democrats also passed the Inflation Reduction Act. It will create jobs, reduce prescription drug costs and insurance premiums, tackle the climate crisis, and support the middle class — all while reducing the federal deficit by asking the wealthiest Americans and corporations to pay their fair share.²
- 4** Mitch McConnell and his Republicans have fought to block President Biden's agenda every step of the way – including efforts to uphold our voting rights and protect our democracy.

GRANDMA'S Climate Change Deni-rolls

Climate change is
a hoax!

Humans can't have that
much of an impact!

Brrrr! Sure could use some
"global warming" today!

What to Bring:

- 1 The last seven years were the hottest years ever recorded.¹
- 2 The world's glaciers are melting at an unprecedented rate.²
- 3 All weather events – like hurricanes and tornadoes – are becoming stronger, longer-lasting, and more harmful to humans.³
- 4 Over 99% of climate studies agree that climate-warming changes are due to human impacts.⁴

UNCLE DAVE'S *Angry MAGA Rantberry Sauce*

Donald Trump won the 2020 Election, January 6 was a peaceful protest, and we need to root out election fraud!

What to Bring:

- 1 Republicans in Congress are afraid to stand up to Donald Trump, and have pushed his dangerous lies that the 2020 Election was stolen from him.
- 2 They push bogus claims of fraud to overturn elections they lose and undermine our democracy.
- 3 There were no issues with voting machines, Sharpies didn't invalidate votes, there is no widespread mail-in fraud, suitcases and bags of ballots were neither tossed nor destroyed, poll watchers were allowed to observe, and there was no widespread voter fraud — not via mail in ballots, not with dead people voting, and not with people voting multiple times.¹
- 4 Then they spread misinformation and lies about January 6, praising insurrectionists who attempted to overthrow the government, and downplaying their violent, deadly actions.
- 5 140 Capitol and DC police officers sustained injuries as a result of the Capitol insurrection on January 6, and multiple people lost their lives that day.
